Cody Teets is currently a Trustee of Regis University where she serves on the Audit / Risk and Academic Affairs Committees.

In her role as Trustee, Cody makes unique board level contributions in the following areas of Governance:

- Risk Management / Contingency Planning
- Human Resource / Talent issues
- Franchisor/Franchisee relationships
- Officer Succession Planning
- Mergers and Acquisitions

Cody Teets is an entrepreneurial Operations Executive with experience leading a \$2B market for McDonald's Corporation. Her US experience includes full oversight and accountability for an 800 restaurant multi-state market, inclusive of Strategy, Finance, HR, Marketing, Operations, and R/E Development. In this role, Cody drove revenue and profit growth for the 8th largest global market of the McDonald's Organization.

She later served in the executive role for US Franchise Relations, working closely with top management to influence the turnaround strategy for 2,800 independent entrepreneurs and 14,000 restaurants.

Cody holds an MBA from Regis University and a BS in Marketing and Accounting from the University of Colorado. She served previously as board member and treasurer of Dress for Success Denver.

Cody is committed to lifelong learning. She holds additional business certificates from many institutions including CRA Inc., Kellogg School of Business and Harvard Direct. She also serves as an affiliate professor for the Regis University MBA program.
